By Car:

You can prearrange car-hire over the internet with several companies, and arrange to pick up at the airport.

Directions:

Drive out of the airport following signs for 'ciudad' then 'Arrecife'. This takes you directly onto the LZ2 dual carriageway.

Continue for a few kilometres until you see an overhead sign for 'circunvalacion' - move into the left hand lane to be ready to take the next exit onto the LZ3 (the exit is on the left).

Continue along the LZ3 (circunvalacion) following signs for Costa Teguisse. You are travelling straight on at this point. After a few kilometres you pass a Shell garage on your right, immediately in front of you you will see a sign for Costa Teguisse pointing to the left, take the next left turn and stay in the left hand filter lane. You come to a stop line at a multiple junction.

Go straight on across the junction (again following signs for Costa Teguisse), this is now a dual carriageway - Avenida de Las Palmeras

Continue along till you reach the second roundabout.

Go straight on across this roundabout and continue until you reach the next right turn. Take this right turn onto Calle Los Dragos.

About half way down you will see a private road on your right, this is a one way street into the Las Calas estate. This one way street forms a 'U'.

Villa Claudia is on the first side of the 'U' at No.8, Villa Abbeylara is on the other side of the 'U' at No.28.

The journey time is approximately 15-20 minutes.
