How to get to the villa...

By Taxi

Taxis are available directly outside the airport as you leave the baggage reclaim and customs area. Transfers from the airport to Playa Blanca can be prearranged over the internet.

Two companies that offer transfer services are:

Lanzarote transfers. <http://www.lanzarotetransfers.com>

Canary Island Tours. <http://www.islascanariastours.com/transfers.html>

The address of our villa is 15, El Parque del Rey, Playa Blanca, Lanzarote.

By Car

Car Hire is available from several companies and can be prearranged over the internet (strongly advised in peak periods). Cars can be collected at the airport. To hire a car you need to carry your driving licence.

From the airport Playa Blanca is a straight run. Journey time approx. 30 minutes.

Directions:

Drive out of the airport following signs for 'ciudad' then 'Yaiza' (not Arrecife). This takes you directly onto the LZ2 dual carriageway heading South. (Shown blue on the attached map.)

Follow this road, bypassing Tias.

After TIAS the LZ2 ceases to be a dual carriageway (shown green on the attached map).

Follow the LZ2 through Macher and Uga and bypass Yaiza.

As you come in to Playa Blanca there is a large roundabout with a petrol station just beyond it.

At this roundabout take the second exit which puts you onto a dual carriageway.

Follow this for a short distance to the next (mini) roundabout.

(La Corbeta Hotel is just visible on your left at this roundabout).

At this roundabout turn right and follow the road along to Residencia El Parque del Rey. (no names or signs).

This is the new development on your left. El Parque del Rey is walled with grey lava stone walls and each entrance is flanked by white gate ways (without gates). Take the third entrance along on your left.

Villa Mateo is on your right, no 15. Please park your car on the driveway.
